Dear Mr. Dortch,

I kindly direct your attention to Section E of the Argument section of our memorandum in support of the motion to compel. Please also refer to paragraph 7 of the declaration of David Steiner. The text therein should clarify the disposition and status of the emails you referenced, which I assume are those in the Appendix at PP. 48, 53-75. As you note, those at PP. 49-52 of the Appendix were already produced.

We are currently processing these documents, and others, and preparing them for production next week.

If you require any further clarification, please let me know.

My Best,

Jerl B. Leutz

Mr. Steiner:

In your motion yesterday to the Court, you represent that the evidence attached to the motion was produced by you in this case. While some of the evidence, ie the ones with bates label were produced, we could not locate many of the emails in your motion as being produced to date. Can you let us know when these items were produced?
